Fine Arts

Nebo elementary school students are making **academic "GAINS"** with the help of a staff development program that utilizes arts integration. **"Growing Arts in Nebo Schools" (GAINS)** is a program designed to provide classroom teachers with grade-specific tools that help them **integrate instruction in art, dance, drama, and music** into their daily instruction of language arts, mathematics, science, and other curriculum.

The Advanced Learning Center (ALC)

The **ALC** provides **early college** and **career courses** to high school students while students stay involved at their primary school. The **ALC** offers a wide variety of courses for **college credit, career readiness** and **industry certification** including **computer programming and repair, digital media and video production, medical science, building construction, and engineering/drafting**. These courses allow students to experience real-world, hands-on learning. For more information, students should visit with their high school counselor or the ALC counselor at (801) 489-2833. Go to the **ALC** website at: <http://alc.nebo.edu>. Fast-Forward Your Education!

Career and Technical Education (CTE)

CTE programs help students explore a variety of careers through course work in **Business, Agriculture, Marketing, Information Technology, Health Science, Technology and Engineering, Family and Consumer Science, and Skilled and Technical** program areas. Counselors help students identify career pathways and develop a **College and Career Readiness Plan** for success. For more information, students should visit with their current high school counselor and go to: www.utahcte.org.

College and Career Ready

Every Nebo student can be a **college- and career-ready student** prepared to **succeed in college** and in **workforce training**. Students can earn **college credit** through **Advanced Placement (AP)** and **Concurrent Enrollment** classes.

Technology

- Our district continues to **emphasize technology integration** including LCD projectors, document cameras, hand-held devices, and mini labs in classrooms to engage teachers and students in **21st Century** teaching and learning.
- Currently, there are **150** wired computer labs that include **5,400 computers, 10 wireless mobile laptop/Netbook labs** that include **360 devices, 20 iPad labs** with sync carts that include **720 devices**, and **65 wireless Chromebook labs** that include over **4,000 devices** in 40 schools and 5 programs.
